

# Environment

## Open/ Green Spaces

Small secure playgrounds for young children

Dymock Forest/ Queens Wood ancient woodland full of native daffodils, bluebells and wood anemones

**What environmental aspects are important to you and why?**

Good quality farmland

Drummonds Dub Lake

Public Footpaths network and 2 long distance trails go through the parish

Wildflower meadow by Pomona Grove - diversity of fauna, birds and insects

Allotments

The Village Hall playing fields

Local Wildlife Sites - Coldborough Park to the north, woodland on the Kempley Road, meadows and stream with footpath from Phocle Green to Crow Hill, Lynders Wood and Queens Wood

**Do you use any of these spaces?**

**Which of these spaces are your favourite for enjoying our local environment?**

**Why are they important to you?**

**Are there other spaces you value which should be included?**

**Do we need anything more?**

**Can we make better use of the space we have?**

**Can we make them more accessible?**

**What green spaces should we try to preserve?**

**Are there any walls, hedges or trees that you think are particularly important?**
